Dear Friends:

I am delighted to send greetings to everyone gathered to celebrate Americlean's recent recognition as the first contractor in New York State to receive the Occupational Safety and Health Administration's Safety & Health Achievement Recognition Program (SHARP) safety designation.

This prestigious distinction recognizes Americlean's profound commitment to worksite safety and health. Working with the Department of Labor to obtain the SHARP designation, the company has compiled an exceptional safety record while emphasizing prevention and education. Powered by a hard-working and dedicated team of managers and employees, Americlean provides an outstanding example to businesses across the Empire State of how to maintain a safe work environment while delivering high-quality service to customers.

On behalf of all New Yorkers, I congratulate all of Americlean on this honor and commend this outstanding company for its ongoing leadership in workplace safety.

With warmest regards, and best wishes for a memorable celebration.

Sincerely,
